

OUR SYSTEM UPGRADE IS ALMOST HERE.

Our planned system upgrade begins Friday, October 16. We're working to make the transition as smooth as possible while investing in an even better banking experience for you. Here's how you can prepare.

BEFORE THE UPGRADE

- ✓ Verify your phone number and email address.
- ✓ Complete any deposits, transfers, or bill payments before Friday.
- ✓ Visit a branch before the upgrade if needed.
- ✓ Submit travel notices before the upgrade begins.
- ✓ Watch the Great Midwest Bank website for more details.

Your accounts remain safe and secure throughout the upgrade, and we'll continue to keep you informed every step of the way.
